

IMPORTANT INFORMATION FOR BIDDERS

This opportunity was found and posted on RFP Mart LLC (**rfpmart.com**), a search engine for finding government RFPs, RFIs, solicitations, bids, RFQs, contracts, and other public procurement opportunities. Additional information and more bidding opportunities can be found on (**rfpmart.com**).

RFP Mart Is Not the Issuing Authority

RFP Mart is an independent procurement information service and is not the government agency, public entity, contracting authority, or issuing organization responsible for this procurement. The issuing authority identified in the original solicitation is responsible for the procurement and its official communications.

Addenda, Awards, Amendments & Subsequent Updates

RFP Mart does not post award notifications or guarantee the availability of subsequent updates, including addenda, amendments, clarifications, revised documents, deadline changes, cancellations, or other notices issued after the opportunity was originally posted.

Bidder Responsibility

Bidders are responsible for independently verifying the current status, requirements, deadlines, addenda, questions and answers, and other applicable updates or documents before submitting a bid, proposal, response, or other offer.

For the latest information, bidders should:

1. Check the issuing authority's official website provided in the procurement documents; and/or
2. Contact the procurement representative or contracting officer identified in the original solicitation.

© **RFP Mart LLC**. Procurement information is provided for research and informational purposes. The original issuing authority's solicitation and official communications govern the procurement.
